Friday, October 16, 2009

Attendees:

Sheila Andersen, Dr. Bob Esterhay, Dr. John P. Howard, Howard Mason, Susan Neumayer, Jackie Richardson, Dr. Adewale Troutman, Councilwoman Vicki Welch, and Lelan Woodmansee

Team: Health & Wellness

- \$1.6 million –

\$250 million allotted to perform school-based immunization/vaccine clinics in the public, private and parochial schools clinics for 21 days, several per day. Staff is currently working on arrangements.

Two community-based clinics will be held for other patients such as pregnant women, young children, etc.

The Department has received small batches of vaccine weekly. Larger batches of vaccine are not expected until mid- November.

Proposal for usage of \$650 million would include Tobacco Control, Obesity, and Physical Therapy. Health Department Office of Grants' staff is working up a series of ideas. Letter of Intent has been drafted. If approved, Louisville would need to become a mentor city.

- Park DuValle Community Health Center update.

Park DuValle is currently involved with 3 grants. Grant #1 has been approved. Planning to hire staff and spend some of the funds. The official notice of approval has been received for Grant #2. Grant #3 is a competitive grant and status will be known by the end of the month.

- Health Information Technology update

Sheila Andersen stated that the State will require 6-8 months to develop a plan for the entire state. Once the plan has been approved, a draw-down of funding may be implemented.

Date: 10/16/2009, Completed by: Cardelia Allen. Approved by: Adewale Troutman, MD, MPH, MA

- On Monday, November 16, 2009, Metro United Way is hosting a conversation on developing a proposal for a Promise Neighborhoods planning grant. The meeting will be held at 8:30 – 11:30 AM at Metro United Way, 334 East Broadway, in the Community Meeting Room.

Metro United Way's roll is responding to requests to serve as convener so that Louisville puts forth its best proposal for a Promise Neighborhood planning grant. The meeting is being convened with the intention of an inclusive group of stakeholders working with each other to that end.

Metro United Way will not be the applicant for the planning grant nor leading the development of the proposal.

- The ARRA Funds committed to the community are in excess of \$350 million. As additional funding is identified, it is added to each team and to the total for Metro.

Announcements

- **The next meeting is scheduled for Friday, October 30, 2009 at 1:00 P.M., 400 East Gray Street in the boardroom.**
